

Welcome to Watertown Brand Outlet Centre, Western Australia's original venue for outlet shopping. With all the best brands at the best prices, Watertown Brand Outlet Centre is Perth's home of outlet shopping.

What is Brand Outlet Shopping?

Our Watertown brand outlet stores offer you new products at a discounted price between 30-70% lower than what you would find in their regular Australian retail locations. You can expect the store's stock to be a range of last season looks, excess of current stock and specially designed products made specifically for outlet only locations. At Watertown, we do not sell retail seconds or damaged products. As the stores operate with the stock they have on hand, they can often sell through sizes, specific designs & those hot products quickly so we encourage you to grab a bargain when you see it.

Our outlet stores are high volume movers and we have over +100 stores at Watertown to pick from. If one store doesn't happen to have what you're looking for, don't be too discouraged as you never know what is just around the corner at the next store or what might arrive in tomorrow's delivery. If you have any questions or queries, please feel free to chat to any of our friendly retailers who will walk you around their store and show you all of their special deals & sale offers.
